Description

One Level System offers 4 different clips for 1,1.5, 2 and 3mm joint, in a simple packaging of single bags of 200 spacers each. A system composed of 2 elements (wedge and spacer clip) that assembled and adjusted through the use of a plier, allows, in a quick and easy way, to remove any difference between tile and tile during the laying, obtaining a coplanar and equidistant result without any lippage.

Material

Made of recycled plastic material.

Use

Leveling system and spacer for floor and wall tiles of various sizes and thicknesses.
